FIND YOUR CULINARY MATCH AND FALL IN LOVE WITH THE LATEST APPLIANCES, CABINETRY, FIXTURES AND SURFACES
PRODUCED BY MARY FITZGERALD

CAMBRIA
Add drama to the kitchen with bookmatched Bentley quartz from Cambria. The white background is juxtaposed with high-contrast black veining and can be finished in a matte or high gloss. cambriusa.com.

WATERSTONE
Minimalist and utilitarian styling distinguish the Endeavor Wheel Pulldown Faucet from Waterstone. The mono-spoke wheel swivels 360 degrees and a unique pulley braking system slowly retracts the sprayer. benderplumbing.com, waterstoneco.com.

MODERN LOVE

You are drawn to clean lines, sleek finishes and innovative technology

EGGERSMANN
Futuristic kitchens are nothing new for Eggersmann—the German company has been creating unique, luxury kitchens since 1908. The latest technical series, Manhattan and AP24, feature ultra-thin metal frames paired with wood, glass, metal or lacquered doors. eggersmannusa.com.

LIEBHERR
Liebherr's Monolith Wine Column is offered in 18-inch and 24-inch sizes, holding 75 and 100 bottles respectively. Multiple cooling zones, UV-resistant glass and an alert system, via text or email, maintain optimal wine temperature. albanoappliance.com, liebherr.com.

DACOR
Induction is all the rage in cooking, and Dacor's Transitional 30-inch cooktop delivers with FlexZone modules that heat and cook at lightning speed and accommodate pots and pans of all shapes and sizes. planettv.com, dacor.com.

AERIN
The Lisette globe pendant, designed by Aerin for Circa Lighting, is a modern interpretation of a caged glass fixture, shown here in a hand-rubbed antique brass finish. ciricalighting.com.

FISHER PAYKEL
If space is an issue, Fisher Paykel has a compact solution. The 24-inch and 30-inch refrigerator/freezer units include variable temperature zones and ActiveSmart technology. countytv.com, fisherpaykel.com.

GAGGENAU
Whip up professional-style meals at home with Gaggenau's redesigned 400 series Combi-Steam and Convection ovens with integrated features, including automatic cooking programs and Home Connect capability. aitoro.com, gaggenau.com.

BRIZO
Renowned fashion designer Jason Wu's latest creation for Brizo is a runway-ready kitchen faucet. The streamlined silhouette wears a matte white finish with a simple lever in teak, nickel or classic white. torrcodesigncenter.com, brizo.com.

MOEN
Smart features of the Moen Nio faucet include voice activation, plus measurement and temperature precision, for touchless water dispensing. Shown in the matte black finish, each faucet includes a gold or black handle so you can customize and switch it up when the mood strikes. homedepot.com, moen.com.

RUVATI
The Ruvati Dual Tier Workstation is multifunctional for prepping, serving and, of course, washing. The stainless steel undermount sink is offered in three sizes and is equipped with an array of accessories like colanders and mixing bowls, plus grater/slicer attachments and a foldable drying rack. lowes.com, ruvati.com.

MARKETPLACE

TRENDING TRANSITIONAL

You like to mix things up, blending classic design with contemporary components

CAESARSTONE

For the look of marble without the upkeep, Caesarstone presents its newest quartz pattern, Calacatta Maximus, featuring prominent greige veining with fine copper-gold outlining. ringsend.com, caesarstoneus.com.

CIRCA LIGHTING

Thomas O'Brien's Piatto pendant for Circa Lighting blurs the lines of modern and traditional. An imposing shade is finished in an aged iron with a hand-rubbed antique brass interior, hung from a chunky link chain. circalighting.com.

MARKETPLACE

COVE

Near-silent operation, custom interior configurations designed to accommodate differently shaped dishes and the ability to monitor progress or start a cycle remotely are just a few of the Cove 24-inch dishwasher's attributes. The stainless steel exterior matches Wolf and Sub-Zero appliances or accepts a custom panel. clarkliving.com, subzero-wolf.com.

KOHLER

Sophisticated in design, the Crue Touchless faucet by Kohler features an intuitive and precise sensor technology for hands-free use. Adaptable to any style, it is shown here in the Brushed Moderne Brass finish, but is also offered in polished chrome, stainless and matte black. waterwarehouse.com, kohler.com.

WATERWORKS

Incorporating midcentury elements, the Waterwork's Alta cabinet series, in natural oak or walnut wood, can be customized with a cane insert, as shown, ribbed glass or charcoal Paperstone. waterworks.com.

CLIVE CHRISTIAN

The Metro Deco collection from Clive Christian pairs a minimalist cabinet door with a traditional frame. The pinstripe inlay accents the vertical grain of the wood, offered in a choice of Honey Oak, Cool Walnut or Black Walnut. clivechristianfurniture.com.

CAFÉ

Sporting a new lustered platinum glass finish, Café's Modern Glass Quad Door refrigerator offers convertible temperature zones—adjustable from fresh food to full freeze—convenient storage drawers and a hands-free autofill water dispenser. aitoro.com, cafeappliances.com.

BIG CHILL

The Big Chill Classic Fridge is the epitome of industrial chic and boasts 20 cubic feet of capacity. Trim options include brass (shown here), chrome or nickel and the refrigerator is available in a full spectrum of colors and finishes, including the latest, Quartz Gray. bigchill.com.

ST. CHARLES

The Savor drawer from the St. Charles Collection provides thoughtful storage. Inserts in wood, porcelain and stainless steel house spices, a magnetic knife keeper and an integral cutting board that can be brought to the table. stcharlesnewyork.com.

BELWITH KEELER

The Reserve Collection of hardware from Belwith Keeler is crafted in luxurious stitched leather with brass accents, lending a fine furniture feel to cabinetry. benderplumbing.com, belwithkeeler.com.

THOR

Presenting powerful gas performance, Thor's Professional Drop-in Cooktop is equipped with high-intensity burners in 30-inch or 36-inch stainless steel models. The metal-constructed knobs illuminate in blue when the unit is on. sandystv.com, thorkitchen.com.

ARTISTIC TILE

Reminiscent of the majestic hotels of Italy, Artistic Tile's Grand Hotel pattern is a modern classic in black and white hand-worked tesserae. karenberkemeyerhome.com, artistictile.com.

MARKETPLACE

BLUE STAR
Blue Star introduces a fresh color for 2021, Light Aqua Green, shown here on the 48" Platinum series range. Inspired by nature, the new hue is just one of 1,000-plus colors and finishes available. bluestarcooking.com.

TRUE RESIDENTIAL
Great for entertaining and keeping your family hydrated, the True Residential Slide-Top Beverage Refrigerator offers easy access to drinks. In vibrant colors of saffron, cobalt, white or red, the 24-inch and 36-inch units are on casters for mobility and can be housed indoors or outdoors. aitoro.com, true-residential.com.

THERMADOR
Add a dash of color with Thermador's custom metallic blue knobs, shown here on the 60-inch Pro Grande Range with dual-fuel, steam and convection capability. albanoappliance.com, thermador.com.

MARKETPLACE

KICKY AND COLORFUL

You crave color—a little or a lot—and steer clear of the all-white kitchen

NEW RAVENNA
The Elodie water-jet mosaic tile from New Ravenna is fashioned in Basalto volcanic stone. In vibrant blues, it is as beautiful as it is durable. greenwichtileandmarble.com, newravenna.com.

SIGNATURE

Fully loaded, the Signature Kitchen Suite 48-inch Pro Rangetop features dual-fuel, four gas burners, plus built-in sous-vide and two-zone induction for the serious cook. planettv.com, signaturekitchensuite.com.

NEST STUDIO

Ceramicist Jonathan Castro created the Glaze pull for Nest Studio. Shown here in Matte Teal, this hardware adds an artisan touch to cabinetry. schwartzdesignshowroom.com, neststudiocollection.com.

HECTOR FINCH

Add a coastal vibe to the kitchen with Hector Finch's Lucia Double Pendant, capped with Aegan Blue ceramic shades, handthrown in Tuscany. harbingerla.com, hectorfinch.com.

WALKER ZANGER

If you are looking for something truly unique, check out Walker Zanger's customizable, single-batch ceramics. The Handmade-To-Order Collection delivers endless possibilities with a multitude of shape and color combinations. walkerzanger.com.

LOLL DESIGNS

Spice things up with Loll Designs' Norm stool in a choice of nine vivid colors, shown here in Sunset Orange. Available in three heights for dining, counter or bar use. dwr.com, loll designs.com.

L'ATELIER

If you love French cooking, you'll love a bespoke kitchen by L'Atelier. The La Provencale custom range and matching hood are *magnifique* in St. Tropez blue. leatelierparis.com.

VERONA

Why not have a little wine while you cook? Verona's Dual-Fuel range imparts a sophisticated color note in a rich burgundy. The Italian-made, 36-inch pro-style appliance is also offered in matte or gloss black, stainless steel, white or slate gray. marsillios.com, veronaappliances.com.

ELKAY

Elkay revealed its newest Quartz Luxe sink color—Mint Crème. Constructed of natural quartz and high-performance resins, the material is super strong, nonporous, bacteria-resistant and heat-proof up to 535 degrees. bestplg.com, elkay.com.
